DISEASE OF THE KIDNEYS, LIVER COMPLAINT,

WEAKNESS OF ANY KIND FEVER AND AGUE.

And the various affections consequent upon a Stomach or Liver,

Such as Indigestion, Acidity of the Stomach, Chelic Costiveness, Blind and Bleeding Piles. In all Ner yous Rheumatic, and Neuralgic Affections, it has, it numerous firstances, proved highly beneficial, and in others effected a decided cure. This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland professor, Boerhave. Because of its great success in most of the European States, it specially for those of our fatherland scattered her and there over the face of this mighty country.— Meeting with great success among them, I now offe it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged whose constitutions may have been impaired by th ontinuous use of ardent spirits, or other forms of dis-ipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quicken ing every nerve, raising up the drooping spirit, and in fact, infusing new health and vigor in the system. NOTICE-Whoever expects to find this a bevera will be disappointed; but to the sick, the weak a

low spirited it will prove a grateful aromatic cordia CAUTION. The great popularity of this delightful Aroma has induced many imitations, which the public shoul guard against purchasing. Be not persuaded to bu anything else until you have given Boerhave's Ho land Bitters a fair trial.
